

# SENATE TAKES RESPITE FROM USUAL ACTION

### Hoffin Parodies 'Abou Ben Ad- hem' in Speaking an Teapot Dance Puzzle Chamber Is Now Considering

## LONGER RETALIATES

## Literature of Senate Uses 'Brothers and Sisters Have I None' to Tell Who Knows All About Oil Leases

Washington, Mar. 4. — After having been gassed for weeks in the hearth-furnes of oil scorched by the flames of partisan debate, the senate today found a welcome relief in a few moments of comedy — an excursion into the world of fiction.

Senator Heflin, Alabama, renewing an attack on Edward L. Doheny, made a detour into the realm of literature and struck Henry Cabot Lodge, Massachusetts, in his home spot. The result was a gavage at words that sent the galleries off into raps of laughter in which senators on the floor joined without restraint, in strange contrast to the usual dignified decorum of the chamber.

Everybody enjoyed it as a welcome and unexpected relief from the rattling and din on Teapot Dome. Attorney General Daugherty, and whatever which has been swathing the chambers in a wordy flood. When it was over, senators on both sides of the aisle were smiling for the first time and the atmosphere had been cleared by a puff if by a thunderstorm on a sultry day.

Senator Hollis was referring to Mr. DeLoach's tax refund of \$44,000 by the treasury department when he diverted to a parody on the classic tale of "A Boy Named Sue" and the "Angels." Substituting "Doug Hooley" for "A Boy," Senator Hollis said:

The golden fleece:

"About ough Hooley (may his tale increase)

"Awoke one night from a deep dream of peace,

"And saw within the moonlight room,

"A monster writing in a book of names  
 Americans wealth had made Douglas  
 He said;  
 "And to the monster in the room he  
 said:  
 "What wilt thou? The monster  
 man raised his head,  
 "And with a look which made Douglas  
 He said  
 "Answered: The names of those who

"And is mine cut?" said Dong Hoemia.

"We shall see," replied the senator, but though Hoemia trembled.

"Responded in a still and softer tone."

"Write me as one who loved to speak a word."

"The senator wrote and vanished. The next day,

"He came again—He looked like a warrior."

"And showed the names of those who had been slain."

And, in Dough Hoosie's name led  
the rest."

**Lodge Parodies in Turn.**

While the chamber and galleries roared, Senator Lodge, the Republican leader and litterateur of the chamber, was not caught napping. From a typewritten sheet in his hand he replied with a parody on Longfellow's "Brothers and Sisters Have

"None," reading as follows:  
"Mr. Vanderlip says:  
"Absolute knowledge have I none."  
"But my aunt's washerwoman's sister's son  
"Heard a policeman on his beat  
"Say to a laborer on the street,  
"That he had a letter just last  
week—  
"A letter which he did not seek—

New York, Mar. 4. — Eastern railroads and manufacturers today agreed to the Interstate Commerce commission's combined plan to regulate proposed revision of freight rates designed to eliminate the differential in rate and stop the flow of goods from Atlantic to Pacific coast cities.

## Among These Present

By Reg Murray

Among those present in the national basketball tournament which takes place in Los Angeles Athletic club courts in the near future will be two boys from the Pacific coast who will be hard to beat. Red Murray, the present national champion, of the Olympic club of San Francisco, is a rugged hard player who can control the ball with his closed fist and throw on road work like a prize fighter.

Maynard Laswell, whom Murray beat in the finals of last year's tournament at St. Paul, is a smooth working player, using the open hand when he plays. "Las" has worked in the movies, but don't hold that against him—he will be very hard to beat in his own sports (that's what they said last year about Dr. Haddock of St. Paul, twice a former champion.)

## Oneonta High School Tri-County Champions, Defeating Cobleskill

Yellow and White Basketball Teams Win Over Cobleskill High School at Cooperstown, 18 to 17, in One of Fastest and Most Exciting Games Ever Played in This Section—Many Students Accompany Team to County Seat.

Wiping a brand of basketball that could hardly have been improved upon, the Oneonta High school basketball team defeated Cobleskill High school in the town hall at Cooperstown last evening, 18 to 17, in one of the fastest and most thrilling games ever witnessed in Otsego county, thereby winning the Tri-County championship for which the team has been playing all season. Fitted against a heavier and older team which had taken its measure in district basketball but a few weeks before, the younger and white quater ground its collective teeth, plugging into the fray with determination and courage, an hour later with victory and championship laurels firm in its grasp.

Oneonta did not win, however, without the hardest struggle it has had to make this year. Cobleskill played the local hero to the limit, as the one point margin of victory indicates. The game was very close throughout and never did either team have an apparently safe lead. Despite the score-

less of the struggle the game was very closely played. J. Humphrey of Albany returned to the satisfaction of both teams.

Oneonta was a little off on shooting field baskets, a fault evident in many of its games this season, but was faithful on free shots, making eight of 19 tries, and their strength in this department won the game. Cobleskill was particularly successful on long shots.

Oneonta scored first when Glen dropped in two from the foul line soon after the game started. Cobleskill tied the count a moment later with a field basket and Oneonta forced again to the front when Glen dropped in two more from the 15-foot line. The quarter ended with Oneonta leading, 4 to 2. Withing scored the score with a field basket and put Cobleskill two points in front with a ring. Mottuari dropped in a field basket and the count was again a deadlock. Meyer's foul and Norton's field basket gave Cobleskill the lead, 9 to 6. Permain made good a foul shot and Delany jumped one through the cage to tie the score at 9 all. The

half ended with 9 and 9 still the score.

The count ended on equal terms throughout the third quarter, which ended another tie, 16 to 16 this time. Then after the resumption of play Permain threw a score from the 'iron's camp with a field basket but Delany shot another basket with two foul goals. It was all and back then then go with another team coming again with a score and a half to play. Glen shot the foul which gave Oneonta the 18 to 17 victory.

Two quick credit cannot be given to Oneonta's team work. The combination which Coach Humphrey sent on to the floor worked smoothly together and each of the five men was in the game every minute. Delany was a lightning flash and his career paved the way for a field basket and two fouls. Mottuari failed to score, although the final whistle deprived him of a field goal, but he was in the game every minute and his passing paved the way for several scores. Glen played a wonderful game at center and was a demon when standing on the foul line. Captain Mottuari was played against Delany, the Cobleskill star, and his close guarding kept the Cobleskill star from scoring out twice. Permain played a steady, heady satisfactory game and was a hard man to get behind.

Score of O. H. S. students accompanied the team to Cooperstown making the trip in every kind of convenience and lending courage to the warriors with cheering of the most heartening kind. Cobleskill was represented by several fine boys of students and their cheering rivaled closely that of Oneonta.

An champion of the Tri-County League O. H. S. will play Delaware Academy of Delhi at Morrisville Friday evening in the first elimination contest for the state championship. If successful the local side will play Delaware Academy at Poughkeepsie and victory there will mean Otsego and the South.

The score of last evening's battle follows:

## VETERANS' MOUNTAIN CAMP

Summit Section, Otsego County, N.Y.

Summit Section, Otsego County, N.Y.

That the Veterans' Mountain camp at the American legion is gradually being put on a sound financial foundation was the statement made today by Dr. Samuel Lloyd, president of the institution, at camp headquarters, 110 East 42nd street, New York city. Dr. Lloyd reported a reduction of \$50,000 in the debt, that there were 28 men at present being cured for and that there were 11 men for appreciation.

Dr. Lloyd also said that the camp is badly in need of X-ray and chemical laboratories, which are necessary in order to make it a Grade A institution, according to the rules of the State Hospitalization Commission. He also said that a dental and general equipment were badly needed and that there should be a detached nurse's quarters and infirmary and also private rooms for the very sick.

"We feel very optimistic about the camp," Dr. Lloyd said, "and hope that Legionnaires and other patriotic and charitable inclined persons will give it their support. We feel that we have done all possible during the last year, but hope to make a better showing during 1934. Last year we started with a debt of \$22,000, which has been reduced by \$50,000."

A. O. Smith Fined \$50.

According to reports of the business before the federal court at Albany yesterday, A. O. Smith of Oneonta was fined \$50 for violation of the dry laws. The Star was unable to ascertain whether this refers to the A. A. Smith who was involved in the stealing of whiskey from the Miller-Strom company and the sale of it to private parties or not.

## LITTLE LESSONS IN Big Sports

GOLF

In putting, should there be any shifting of the weight on the foot? Should the weight be evenly divided or more on one foot than the other?

Answered by JOHN BLACK

"The Champion of Teams," whose great confidence and mastery of golf makes him feared at all tournaments. Particularly conspicuous on approach shot.

In putting, the weight should be kept on the left foot, keeping the

made with the arms and wrists. If the weight is shifted from one foot to the other, the putt will not go straight and can distance be gauged properly during "weight shifting."

Many players "move their knees when putting." If the weight is kept on the left foot, it will stop this unsteady motion of the knees. Putting with the weight on the right foot (leaning the player to lift the ball, and the ball will jump instead of rolling smoothly. If the weight is centered, it is much more of a temptation to get that knee motion, causing the body to move, thereby destroying accurate putting.

## MCGRAW FORBIDS GOLF

His Players Must Not Participate in Royal Sport.

New York, Mar. 4.—Manager John McGraw of the Giants signified his arrival at the Saratoga camp yesterday by banning golf as a ball player's pastime. Signs of a general campaign against the royal game by major league managers is evidenced by a similar edict issued by Ty Cobb and reports that Manager Robinson of Brooklyn is contemplating following the precedent.

The general theory upon which the action is based is said to be an opinion that attention cannot be given to both sports without a lessening of interest in the main game of baseball. Both McGraw and Huggins, leaders of the champions of the two leagues, plan conferences with head-owners who are working without contracts. "Pop" Young, who arrived yesterday, is the most important of the managers.

NORMAL SCHOOL NOTES

Members of the Faculty Attend the Meeting of the Blackham Alumni Association—Third Game of Basketball Series Saturday Night—Students Entertain Arethusa at Banquet.

On last Saturday the Binghamton Alumni association met and entertained members of the faculty as delegates at Binghamton. The association was started twenty-four years ago and since then has met every year, entertaining some of the members of the faculty. These occasions have always proven to be very pleasant ones to those attending. Associations of a similar nature have been formed in Schenectady, Amsterdam, Utica and New York city, all serving to keep alive the interest in the school and to keep the members in close contact with the progress of the institution.

The third of a series of five basketball games being played between the Freshmen and Juniors will take place on next Saturday night. In the two games already played the Juniors have won the victories, so that they or not the Freshmen have any chance of winning the loving cup, which is to be presented to the victorious team. The game begins at 7:30.

The Arethusa, a sister sorority of the Clionians, were entertained at a banquet given by the latter on last Saturday night. The dinner, which was prepared by the members of the sorority, was served in the kindergarten room, several of the pupils of the eighth grade acting as waitresses. Professor and Mrs. L. D. Taggart were guests of the Clionians. Professor Taggart acting as a most entertaining toastmaster, Margaret Becker, president of the Clionian sorority, gave a welcoming address to which Lillian Camen, president of the Arethusa sorority, replied. Carrie May Eberling and Arvessa Thompson spoke respectively on the activities of the Arethusa and Clionian sororities during the year. After the banquet the party which numbered about fifty-two adjourned to the club rooms where dancing was enjoyed until a late hour.

LOVED AND REMEMBERED WOMAN

Mrs. Josephine Vandusen Gibbs died at her home in Harpersfield March 1 following an illness of three weeks. Mrs. Gibbs was born in the town of Harpersfield September 3, 1834, and had always resided in that vicinity, the last 20 years of her life having been spent at her late home. She was of a kind and lovable disposition and the hospitality she extended made her home endeared to all and won for her the highest respect of all who knew her.

The funeral, which was held Tuesday at 1:30 o'clock, was conducted by Rev. F. L. Venable, whose last revelation 2:10. "Be thou faithful unto death and I will give thee a crown of life." held words of comfort to the family. The thought expressed that she had left footprints on the sands of time plainly marked with love and happiness was a fitting close to a life well spent. Interment at Harpersfield Center.

She is survived by one son, Frank R. Gibbs of Harpersfield, and three daughters, Mrs. Alice Moxley of 16 Fifth street, this city, Mrs. Frank D. Reed of Davenport and Mrs. Ezra W. Moxley of Ravenna. There are also seven grandchildren and eight great-grandchildren.

Mrs. Dakin Also Tells What This Medicine Does

St. Joseph, Missouri. — "I heard so much about Lydia E. Pinkham's Vegetable Compound that I decided to try it as I had had such a hard time with my first child. I took nine bottles of Lydia E. Pinkham's Vegetable Compound and I never felt better in my life than the day my baby girl was born. I will be glad to tell what it will do to any woman who will let me know her address." — Mrs. JAMES CHAS. DAKIN, 2227 S. 11th St., St. Joseph, Missouri.

Lydia E. Pinkham's Vegetable Compound has helped many other women just as it has helped Mrs. Dakin. Mrs. Dakin and Mrs. Crossan.

## CHARGED WITH BURGLARY

Hanford Rogers, paroled from Clinton Prison in December, held for breaking in Hunter and Conover's Store—Shades Goods Recovered by State Troopers.

Stamford, Mar. 4. — Hanford Rogers, 21, formerly of Jewett, Greene county, who was paroled from the Clinton state prison at Dannemora, December 19, 1932, is under arrest for violating his parole and committing more crimes. The night of February 1 he is alleged to have burglarized the store of Frank Hunter at Hunter, breaking a plate glass window and stealing two overcoats, one of which he sold to man in Fleischmanns and keeping the other for his own use. On February 5 he is charged with breaking into the store of William Case at Conoverville, Schenectady county, taking five pairs of trousers, one pair rubber athletic, five bags of flour, 200 pounds of sugar and a bag of oyster shells.

State Troopers Sergeants James Cunningham of Woodstock, Joseph Scudlough of Grand Gorge, and John Fitzgerald of Prattville were assigned to the case and after making an investigation located the goods and are said to have obtained a confession from Rogers. He was arrested Wednesday for burglary, third degree for the robbery at Hunter. He waived examination and is held in the Greene county jail at Catskill to await the action of the grand jury. The overcoats were turned over to District Attorney Coffin of Greene county. It is said a Schenectady grand jury indicted him some time ago on a grand larceny charge and now he will also have the Conoverville burglary to answer for after Greene County authorities get through with him.

A quantity of the stuff taken from the Case store at Conoverville was hidden in the woods and after making the confession Rogers let the state troopers to the woods and dug up the articles. A heavy snow had fallen since the goods were hidden but as well had the spot been marked that Rogers went directly to it and dug the goods from the snow.

Rogers is a well educated young man, an athlete and a wrestler. He was sent to Dannemora prison from Albany county in 1921 on a forgery, second degree charge. While at Dannemora he taught the fifth grade in
